Your Dreams Can Come True. It Can Happen To You in Six Easy Steps.

Vancouver, BC, March 2005: Being released this summer is the book that will guide you in attaining everything you've ever needed and desired. Written by Vancouver author Ghalil, *Professional Dreamer* provides a step by step process for changing your outlook and life and manifesting all that you've ever wanted. To be released in bookstores around Vancouver in July, *Professional Dreamer* is a must have book for anyone looking to improve their life situation. Clearly and beautifully written, the process of using thought energy to improve you life is easy to learn and even easier to practice. By simply changing how and what you think, positive life changing miracles can occur.

Professional Dreamer is based on a very simple concept- your thoughts, whether positive or negative- influence your life and the events which occur in it. By changing how we think and directing our thought energy towards our desired goals, we can achieve anything we desire. In *Professional Dreamer* this process of changing your thoughts and using thought energy is clearly outlined in six steps: *One-Pointed Thought, Desire, Trueprint, Visualization, Demonstration, Manifestation*. Each step is broken down into two parts, Principles and Method, allowing the reader to understand what each step is, how it works and why, as well as provide clear and practical steps to applying the theory to your day to day life. Interspersed with inspirational poetry and inspiring testimonials, *Professional Dreamer* is an easy read, beautifully laid out with life changing potential.

If you've ever wanted to change your life, but felt like nothing has worked for you, *Professional Dreamer* is for you. If you want to lead a healthier, happier life, *Professional Dreamer* is for you. If you want to surround yourself with daily miracles then *Professional Dreamer* is for you.

You will be stunned by the beauty and simplicity of this truly amazing book.
